AFC Vacations 2013 Tours & Cruises

Dear Travelers,

Greetings from our San Diego office and welcome to our world of travel. As AFC begins it's 31st year designing and operating tours, I am reminded of two of my favorite travel related sayings:

"What I love most about group travel is the infectious joy of people having a great time together."

"All journeys have secret destinations and experiences of which the traveler is unaware!"

We recognize the power travel has in presenting new challenges and invigorating the mind. I feel strongly that our programs offer excellent service, easy pacing, and unique opportunities to discover local cuisine and people first hand.

So, revel in life's pleasures. Marvel at both nature and man's diversity! Sample local cuisine. Enjoy an illuminating lecture by a local expert in their field. Our leisurely pace, plus balance of scheduled sightseeing and free time, allows you to both explore and relax on the same trip.

I am very proud of the itineraries offered on the following pages and believe in promoting life long learning, at the same time remembering to leave time for adventure and fun!

As you review the travel programs offered in this catalog, I know you will appreciate the high level of care and personal enrichment that goes into each one of our vacations. If you share my passion for discovery, than I invite you to join us on any one of our over 64 incredible journeys worldwide! Let our 31 years of travel experience work for you!

AFC Exclusive Included Features

Bags Fly Free with AFC

Check one bag FREE with AFC. Baggage fees have become the norm in air travel, so AFC has you covered. On **AFC OPERATED LAND TOURS** that include air, your airline baggage fee is FREE (does not apply to cruises). No more hassles at the airport with AFC.

50% Off Single Room Supplement

On many of our tours, AFC has reduced the single supplement by 50% for the first 5 single clients to sign up on a given departure - a savings between \$160-\$325 on select tours. Make sure to ask about this Single Supplement offer right away as it sells out quickly.

Many Choice-of-Menu Dinners

You won't have chicken 3 days in a row with AFC. Most of our dinners offer you a full to limited choice of menu with a large variety of selections to choose from. Dining is a big part of the overall travel experience and AFC takes you to more local restaurants as well.

More Guaranteed Departures

No one likes to have their vacation cancelled due to lack of attendance! So AFC has decided to promote many of our departures as Guaranteed GD! You can book with confidence with AFC.

FREE Sharefinder Roommate Matching

AFC will assist you in finding a compatible roommate so you can avoid the costly 100% single supplement charge for some tours and all cruises. Call today for details and to join our sharefinder list.

Door-to-Door Home Pick-Up Service

Not all Home Pickup services are created equal!

AFC pioneered the idea of door-to-door home pickup as an included feature in a tour package. And even after 21 years, we still do it better than anyone else. Most of our tours involve charter vans just for AFC clients, so there are no unnecessary stops or circling at the airport. The driver's gratuity is always included and he picks up your bag from inside your home. Our home pick-up service extends to all 6 Southern California airports, plus San Antonio & Austin, Texas. And AFC still arranges the airport or pier transportation ourselves and reconfirms it on your behalf.

Towncar Pick-up on Luxury Vacations

AFC has the best deals on luxury cruise lines: **Crystal, Oceania, Azamara, Silversea, AMA, Amadeus, Viking, and Avalon.** As an extra **BONUS**, AFC will arrange **FREE exclusive luxury sedan home pick up service** so that you start your vacation in deluxe style, right at your front door. **Make sure you call AFC BEFORE you book your next cruise yourself or through another agency.** You'll love our prices and bonus towncar service.

Five Ways to Save!

NEW! 50% Single Room Savings!

This is the BEST solo travel program in the business. Be one of the first 5 solo travelers to sign up for each AFC selected vacation and **SAVE** from **\$160-\$325 off** the single supplement! **But hurry**, at this rate, the rooms will sell out fast! Also means more solos to meet on each tour.

What Are Magic Moments?

At AFC Vacations, we believe in the following travel concept:

***Be a participant,
not a spectator!***

Our operations staff in the office and your vacation manager in the field work extremely hard at getting you "up close and involved" with the destination and the people you are visiting.

Most of the time these arrangements are researched and set up far in advance of your arrival. However, sometimes they are built around experiences that just happen during travel. A surprise local festival, a boat parade, a roadside fruit stand or a movie being filmed in town. Something that we have no prior notice of, but still make something happen for you to see.

These are called "**Magic Moments**" and it's what every AFC escorted vacation is all about.

Day 3 Col. Springs to Alamosa (BD)
A fun day awaits as we motor to Canon City to board the **Royal Gorge Route Railroad** (2 hour round trip train ride). A century ago, this was the busiest train route through the Rockies; a ribbon of rail down the 1,000-foot-deep canyon, a granite gorge so narrow that at one point, engineers hung a bridge from the walls to suspend the rails over the rushing waters of the Arkansas River. Look down at the river rafters battling the rapids or look up 1000' and see the underbelly of the Royal Gorge Bridge, the world's highest suspension bridge. Return to Canon City and board your coach to motor west to Alamosa. Dinner included tonight.

Day 4 Alamosa to Durango with Cumbres & Toltec Rail (L)
Motor to Antonito and board America's most spectacular narrow gauge steam railroad as we ride the original Rio Grande Line over the Rockies on the historic **Cumbres and Toltec Scenic Railroad** to Chama, NM (5 1/2 hours one way). A long time has passed since the railroad hauled precious metals over Cumbres Pass. But its steam locomotives still labor up steep grades carrying passengers over high trestles, through tunnels, and along narrow shelves above yawning gorges. Lunch stop in Osier. Motor on through Pagosa Springs to the Old West town of Durango. Enjoy a free evening to explore town.

Day 5 Durango to Grand Jct. (BD)
Get ready for one of the top ten most exciting train journeys in the world as we board the **Durango & Silverton Narrow Gauge Railroad** (3 1/2 hours one way). Experience the adventure of traveling by a coal-fired, steam-powered locomotive on the same tracks miners, cowboys & settlers of the old west took over a century ago. Arrive in Silverton for free time before boarding your motorcoach and traveling north thru the "Little Switzerland of America" and on to Grand Junction. Tonight, enjoy another wonderful dinner.

Day 6 Grand Junction to Denver (BD)
Motor east along the spectacular Colorado River Gorge with a rest stop in the posh ski village of Vail. Motor on to **Georgetown** for a journey on an old-time narrow gauge steam locomotive (1 1/2 hours round trip). Ride the rails past old gold & silver mines, along horseshoe curves, grades of up to 4%, and across four bridges over Clear Creek, including the massive Devil's Gate High Bridge. Then drive on to Denver for 2 nights.

Day 7 Denver Tour / Free Time (BD)
Enjoy a morning city tour of Denver including the State Capital Bldg, Larimer Square, Coors Field, downtown, and more. Then free time prior to your festive Farewell Dinner.

Day 8 Free Time / Fly Home (B)
Free time this morning prior to flying home.

Note: This tour involves high altitude. Please check with your doctor, if you have any health conditions affected by high altitude.

2013 DEPARTURE DATE

12 Days - April 9-21

VACATION PACE

Leisurely Active

Day 1 Depart USA (IFM)

Fly from USA to the Middle Kingdom, China. Enjoy inflight meals, drinks, and unlimited movie choices. Since you cross the International Date Line, you'll lose one day en route.

Day 2 Arrive Beijing (IFM, D)

Arrive in Beijing. Board your private coach for a visit to the Summer Palace, the ancient royal resort of Emperor Qianlong. Chinese have for years flocked to this beautiful lakeside retreat along Lake Kunming located just outside Beijing. Walk along the Long Corridor with its covered gallery of frescoes with mythical themes to the Marble Boat, the ultimate in imperial kitsch. Arrive at our beautiful deluxe downtown hotel. Rest and relax prior to our Get Acquainted Dinner.

Day 3 Beijing Sights (BLD)

Begin your day with an exciting visit to sprawling Tiananmen Square, the largest public square in the world. Just in front of us is the entrance to the Forbidden City, so called because it was off limits to the public for over 500 years. This architectural masterpiece has over 9,000 rooms (we won't visit all of them!). The Forbidden City, officially called the National Palace Museum, was home to the Ming & Qing dynasties. Tonight you'll be treated to traditional "Peking Duck". You may wish to join us for an optional Kung Fu Legend show tonight.

Day 4 Great Wall of China (BL)

Morning visit to learn about two fascinating arts: a Cloisonne Factory and a Jade Carving Workshop. Meet the artists and see them work their magic. Then on to the fabled Great Wall of China. You'll visit the Juyonguan section of this 3,720 mile edifice. It is everything that you can imagine it to be - monolithic, magnificent, sweeping and snaking up and over steep hills as though a blind man's blundering had directed its path. This experience will undoubtedly be one of the highlights of your trip to China. Return to Beijing for free time shopping at the Silk or Pearl markets.

Day 5 Temple Heaven / Fly Xian (BD)

This morning you'll tour the Temple of Heaven, where the emperors prayed to the heaven for a good harvest. Built between 1606 and 1420, the complex represents the pinnacle of Ming and Qing dynasty architecture. This afternoon, board your flight to Xian, the "City of Everlasting Peace." Next, the visit to Xian will include some of China's most extraordinary archaeological discoveries. Tonight after dinner, visit the unique night market filled with local handicrafts.

Day 6 Xian Terra Cotta Warriors (BL)

Visit the famous Shanxi Provincial Museum this morning. Once the temple of Confucius, the museum houses a fine collection devoted largely to the history of the silk road. Visit the Small Wild Goose Pagoda and see the city gate with the ancient Drum Tower looming over the city wall. Drive a short distance out of town to an area that was once a farmer's field where in 1974, peasants digging a well uncovered what was perhaps the biggest archaeological discovery of the 20th century - an underground vault of earth and timber that eventually yielded thousands of life-size Terra-Cotta soldiers. There are 3 vaults that have been uncovered thus far, and an IMAX-type theater depicting what is thought to be the history of this wonder. Tonight, enjoy an optional Tang Dynasty dinner show.

Day 7 Chongqing / Cruise Ship (BD)

This morning depart Xian by air for Chongqing, the capital of the Sichuan Province and gateway to the Yangtze River. This hilly city, one of the largest in the world, is at the confluence of the Jialing and Yangtze Rivers. Time permitting upon arrival, you'll take a brief tour of this "City of Good Luck." Enjoy dinner aboard our deluxe Century Paragon ship, a new, very modern, luxurious 5-Star ship especially designed for river cruising. See the stunning 7-Story atrium lobby and meet the friendly, English speaking crew. Enjoy the largest standard deluxe cabins of any ship on the river, plus an indoor pool and spa.

China & the Yangtze River

3 Nights Cruising the Yangtze • Optional 4 Night Extension to Guilin & Hong Kong

Each cabin has a private balcony and a deluxe bathroom with separate bath tub. This will be your splendid home for the next 3 nights.

Day 8 Yangtze River / Fengdu (BLD)

Since one in four Chinese live along the Yangtze, we literally bisect Chinese civilization as we travel downstream. Enjoy delicious food aboard the ship, a sun deck, and various activities such as a dough-doll demonstration or kite flying. Be sure to try the Chinese massage or reflexology. This afternoon we arrive in Fengdu, known as the "City of Devils." Visit the Immigrants Family and a local kindergarten filled with friendly kids.

Day 9 Qutang Gorge (BLD)

We pass through the first of the Yangtze Gorges, the Qutang Gorge. The gorges seem to have rapids flowing through the narrow passageway. Next comes the Wu Gorge, equally as impressive as the Qutang Gorge. On the other side of the Wu Gorge, we disembark the ship at Wushan, where we cross over steep hills to the Shennong Stream for an amazing small-boat journey up this extremely narrow fjord-like stream. Chinese boatmen literally pull the Sampan up the small rapids. We return to the ship later this afternoon for relaxation and dinner.

Day 10 Gorges Dam / Fly to Shanghai (BL)

Today we continue through the Xiling Gorge, the last and the largest of the three gorges. Halfway through this gorge, we stop and visit the huge Three Gorges Dam, built on solid granite. This afternoon, disembark the ship at Yichang for the short flight to Shanghai, the largest city in China. Tonight, an optional acrobat show at a local theater.

Day 11 Shanghai Tour (BLD)

Today we will tour this exciting city - a contrast of old and new. Visit the 400 year old Yu Garden, filled with dragon walls, stones, streams, flowers - the quintessence of China landscape design. Then on to the Bund, the

trading center along the Hungpu River where east meets west. Most of the major buildings here were built by European merchants. Then cross the river to see the new town, filled with modern skyscrapers. The Silk Museum and Workshop will complete our day. Tonight, our Farewell Dinner together.

Day 12 Fly Home or Fly to Guilin (B)

Free time this morning, then a visit to the Shanghai Museum and People's Square before arriving at the airport. Some of you will board a plane and return to LAX, thus ending your vacation. But others will continue on by flying to Guilin, China, which boasts some of China's most outstanding scenery.

Day 13 Li River / Fly Hong Kong (BL)

Enjoy a morning cruise of the Lijiang River between Guilin and Yangshuo. This 50 mile stretch of river passes thru the rounded, green forest covered mountains that you have seen is so many Chinese paintings. We'll spend some time in Yangshuo exploring this interesting village. Then we fly from Guilin to Hong Kong for a 3 night stay on Kowloon side.

Day 14 Hong Kong City Tour (B)

Today, enjoy an overview tour of the bustling city of Hong Kong Island, including, the Suzie Wong district of Wanchai, Happy Valley, the Aberdeen Floating Village, Repulse Bay, Stanley Market and an incredible view of Hong Kong from atop Victoria Peak. Free afternoon for exploring and shopping in the Kowloon bird or jade markets.

Day 15 Hong Kong Free Day (B)

Today is free to enjoy the city as you wish. Your AFC tour manager will have plenty of suggestions.

Day 16 Flight Home to USA (B,IFM)

Transfer to the airport, where we board your flight back to the United States. Arrive home the same day after crossing the International Dateline.
