TRAVEL with AFC for an EXCEPTIONAL EXPERIENCE

Don't just see the destination, experience it like a local!

Expand your horizons with lifelong learning

At AFC, we blend discovery & education into all of our escorted vacations. You won't just see the destination, you'll experience it like a local. You may even acquire a new skill! Go behind the scenes, participate in a cooking demonstration, a class on Broadway Theater, tour a working farm, or hold a baby alligator while making incredible memories. We are famous for arranging behind-the-scenes tours of unique attractions and our popular "Made in America" tours.

"AFC is a professional tour company. They make traveling a breeze. My experience was like taking a living history class with people of like interests. Very well planned down to the minute. I can't wait for my next adventure!" -Kathy of Carlsbad, CA

Be a participant, not a spectator!

Our operations staff in the office and your AFC Tour Manager on tour work extremely hard at getting you involved with the destination and the people you are visiting.

These arrangements are researched and set-up far in advance of your arrival. However, sometimes the best experiences are those that just happen during travel; unexpected events such as a surprise local festival, a boat parade, a roadside fruit stand, or a movie being filmed in town. It's something that we have no prior notice of, but encounter on location; something special for you to see and experience.

AFC takes pride in exploring these special "Magic Moments"!

ACTIVITY LEGEND

Traveling is a wonderful experience! Please keep in mind your capabilities when choosing your vacations.

This may be your only chance to go to all these remote scenic parks and attractions, as AFC puts it all together for you. Join our top tour manager, Chris McCool, as he applies his incredible knowledge of this area to this fascinating tour.

Day 1 Fly to ABQ / Coach Gallup (D)
Arrive in Albuquerque (altitude 5,300') and meet your Tour Manager. After lunch on your own, coach west to Acoma "Sky City" Pueblo for a guided tour of this active, 800 year old Pueblo adobe town built high on a mesa. Then, motor west along Interstate #40 (formerly Route 66) to the historic western town of Gallup, NM (altitude 6,500'). Enjoy your Get Acquainted Dinner at a local restaurant.

Day 2 Gallup to Chinle (BL)
A scenic drive west brings you to Petrified Forest & Painted Desert National Monuments (altitude 5,600'). Learn about the lush tropical forest that existed here 225 million years ago, only to die due to climate change. The tree trunks were buried while minerals soaked into them and hardened over time into rock fossils. Then, see the colorful formations of the badlands of the Painted Desert, with its red, pink, purple, and yellow bands of rocks. After an included lunch, continue to Hubbell Trading Post in Ganado, an authentic 1878 homestead & trading post where local Navajo people still bring their blankets, jewelry, and art to sell. Continue to the highlight of our tour, Canyon de Chelly, located near Chinle (altitude 5,500'). Spend 2 nights in the Navajo Park at the famed Thunderbird Lodge!

Day 3 Full Day Canyon de Chelly (BD)
Today, explore the impressive canyons, rock formations, and cliff dwellings here. Native Americans call this Tsegi, which means "inside the

rock," and have been living here over 5,000 years. Board specially outfitted SUV's for a half day drive through the river bed that lies along the floor of the canyon. Learn the history and legends from your Navajo guide and enjoy stops like White House ruins. Return to the lodge for lunch on your own. This afternoon, coach along South Rim Drive, with scenic stops at many of the overlooks. From this perspective, look down on famous Spider Rock, a sandstone rock "chimney" standing 750 feet above the spot where 3 canyons converge. Return to your hotel before dinner at a local restaurant.

Day 4 Chinle to Farmington (BD)
Drive north, stopping at the famous "Four Corners" Monument. Stand in the exact spot where four states all come together: New Mexico, Arizona, Utah, Colorado. Next, visit Mesa Verde National Park (altitude 7,000'-8,500') for lunch on your own plus an extensive driving tour of the massive cliffs that house the world's largest collection of 700 year old cliff dwellings. A guided walking tour to famous Cliff Palace is included. Continue on into Colorado to visit the historic old western town of Durango (altitude 6,500'), home to the famous Durango to Silverton narrow gauge mining train. Enjoy a Farewell Dinner here at a fine local restaurant. Then, motor to your hotel in Farmington, NM (altitude 5,400').

Day 5 Farmington/ABQ/Fly Home (B)
This morning, drive south back to Albuquerque. Stop here for lunch on your own at the historic 1793 Old Town Plaza. Then, arrive at the airport for your flights home.
