

Commitment to Wellness - On Tour

AFC Vacations has been delivering memorable and rewarding travel experiences for each guest since 1982. With travel back in full swing, wellness as part of the travel experience is a new priority. Our focus is to provide you with the confidence & peace of mind essential to your travel experience. Below is our Commitment to Wellness which outlines some of the steps we are taking with our partners to deliver quality and safe travel memories. Let's travel!

SAFE START - WELLNESS FORMS

To get off to a Safe Start, AFC requires all travelers to complete a Passenger Wellness Form & Waiver. These forms are included with your passenger documents & given to your Tour Manager at the arrival airport.

OPTIONAL FACE MASKS

Face Mask requirements onboard flights, at airports, onboard the motorcoach and at venues are now optional and left to your individual comfort level in most cases. Exceptions apply and some air carriers Internationally may require Face Masks.

FLY CLEAN - FLIGHTS

Airlines have greatly increased and enhanced cleaning & disinfection protocols. Pre-flight health questionnaires during check in are now commonplace. Details can vary by airline & destination. Visit your airline's website for more details & information.

TOUR MANAGERS

We have enhanced our training & on-trip support for Tour Managers. They are tour management experts and highly trained to handle a variety of unexpected situations on tour — including illnesses and other emergencies.

CLEAN RIDE - MOTORCOACHES & HOME PICK-UP VEHICLES

Motorcoaches & Home Pick-up vehicles undergo more frequent cleaning and disinfection than in the past. We will still operate with a daily seat rotation, however, if a guest(s) wishes to opt out of the seat rotation, we are happy to assign a seat towards the rear of the coach for the duration of the tour.

TRAVEL PROTECTION PLAN & 24/7 SUPPORT

Our Travel Protection Plan covers Covid-related on-trip expenses and includes a 'cancel for any reason benefit'. Our operations and guest support teams will be in contact with the Tour Manager and on-call 24/7. With our Travel Protection Plan, you'll have access to on-trip on-call services as well.

CLEAN STAY - HOTELS

The American Hotel & Lodging Association introduced guidelines for Safe Stay, an industry-wide enhanced standard of health, safety & cleaning protocols.
